

**Impact Bollard
900mm High**

Specifications	
SKU	BOLCIT90
Material	Polyurthane
Colour	Yellow with Red Reflective Tape
Dimensions:	Height: 900mm Diameter: 100mm Base: 215mm x 215mm (Base)
Item Weight	5kg
Fixings	4 x FREE Mounting Bolts Included per bollard (standard fixings kit)

Assembly & Installation:

1. Product comes in 2 parts:
Pole x 1 piece, Base Plate x 1 piece
2. Slide Base Plate over the pole from the top end of the pole
3. Match the curved profile on base of pole to the curved profile on base plate, push base plate all the way down until it sits flush and the assembled bollard can stand firm on ground
5. Now use mounting bolts to mount bollard to surface.
