

1.5M RUMBLE STRIP BLACK / YELLOW

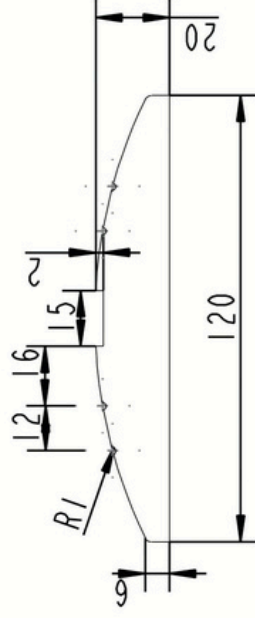

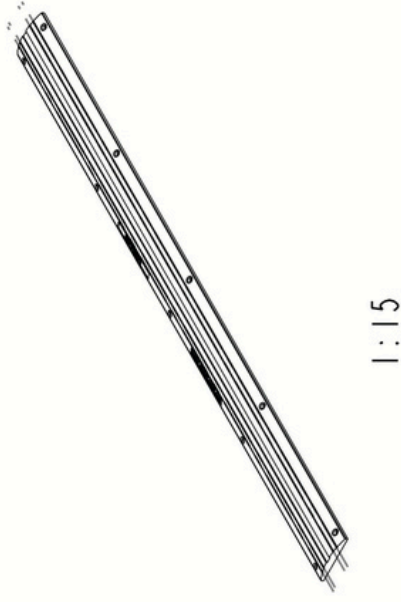

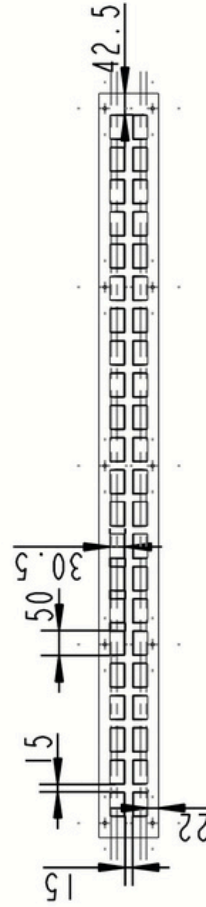

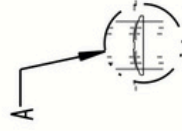

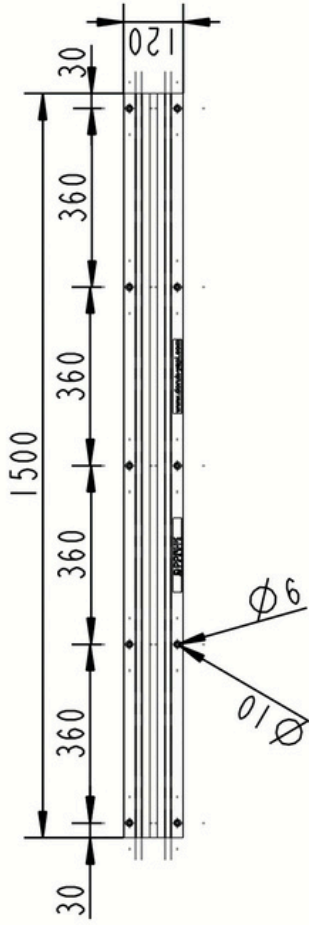

Specifications	
SKU:	RUMSTRBLYEL
Description:	1.5m Rumble Strip - Black / Yellow
Material:	Rubber
Colour:	Black with yellow reflective strip
Height:	20mm
Length:	1500mm
Width:	120mm

Rumble Strips are designed for use as a lane divider or speed moderator on road ways, bicycle lanes, car parks and driveways.

They are also ideal for use as a wall mounted bump protector in undercover car parks, warehouses and loading dock areas to guard against impact damage.
