

## The Ultimate Wheel Stop

Our Australian Made LLDPE Wheel Stops are built to last. They are UV stabilised and therefore will not fade. Unlike concrete wheel stops our Ultimate Wheel Stop will not crack over time.

One of the most durable wheel stops on the market to suit all applications. Available in Black, Safety Yellow, Disabled Blue and Grey. This product complies with Australian Standards and has a 5 year warranty.

### Features:

- 4 x Built in reflectors on face.
- Recessed area on face for signage such as number plate, company logo or name.
- 5 Year Warranty.
- Manufactured using an ultra tough High Impact Resin - LLDPE.
- Durable means these wheel stops will not warp, crack, chip or rot.
- Easy installation by one person, wheel stop is light weight at only 5.15kgs.
- Resistant to UV, moisture, oil and extreme weather conditions.
- Designed and manufactured to comply with Australian standards AS 2890.1:2004.
- Five-year warranty with all Poly Wheel Stops.
- 3 x Fixing Cover Plugs included.
- Australian Made.
